Please make any additional comments regarding the TA and/or discussion sections.

I thought Laura was an exceptional TA. She guided me through the difficult homework questions without simply giving me the answers. After finishing each assignment I felt a sense of accomplishment. The best part is I actually retained the information too and came up with my own questions

Pushed me to critically think about how poverty works, especially in developing countries

N/A - Laura is doing a fantastic job

Laura is one of the best TA's I've had. She cares about everyone, especially if you reach out to her. She stayed after discussion one day for 10+ minutes because I had missed OH and had questions about the problem set. Laura was also very prompt in responding to Canvas messages - and in great detail with that. I would have struggled a lot more in this course without her.

OUTSTANDING TA AWARD!

Fascinating studies

The way you teach is very happy and helpful. You always teach through a smile!

The way you graded us was really hard. I felt that I couldn't do enough OH to get the grades I wanted.

I liked how the class was very conversational and open to discussion. I didn't feel like I was getting lectured but rather contributed to the topic.

NA

Laura did a great job. She structured her discussion sections perfectly; she walked us through the problem sets and really helped out. She was always prepared and organized. I looked forward to going to discussion because I learned so much.
